YOU'RE INVITED

OMAHA INLAND PORT AUTHORITY (OIPA) INNOVATION DISTRICT PLAN

Focused on tackling the economic challenges affecting North Omaha, OIPA is kicking off an innovation district plan for the area. It is intended to mix cutting-edge business startups, incubators, and companies in a way that generates jobs, entrepreneurship, and economic development while also supporting inclusive growth. Community, business, regional, non-profit, and institutional leaders; those specializing in logistics, biotech, skilled trades, art, and creativity; and the public are invited to participate in a community meeting on May 21 to begin discussing the plan and shaping its potential outcomes. Don't miss it!

Community Meeting

Date	Time	Location
Wednesday, May 21, 2025	6 to 7:30 p.m. (presentation at 6:15 p.m.)	The Venue at Highlander Accelerator 2120 N. 30th Street Omaha, NE 68111

The agenda will involve:

- Meeting the planning team.
- Learning about innovation districts.
- Discussing your thoughts on goals for the OIPA Innovation District, market conditions, business development barriers, and more.
- Outlining the planning process' next steps.
